

# Now Hiring!

for our Mechanical Lifting Hoists and  
Air Tool Repair Service Department

**Uniroppe Limited** is a Wire Rope &  
Rigging Products Company located in Mississauga, ON

We are experiencing strong growth in our  
Service and Inspection division and are  
looking for skilled, motivated team-players.

Upon gaining valuable work experience, inspection  
team members will have an opportunity to obtain  
NCCCO RIG 1 and RIG 2 certification status.

We are looking for individuals with basic  
mechanical skills to be trained for Inspection,  
Repairs, and Re-Certification of:

- Mechanical hoists and pullers
- Lifting chains, slings and associated products
- Atlas Copco and other air tools
- Girder clamps and trolleys
- Lifting magnets
