

# Coil Handling

## Model 285 – Telescoping Coil Grab

This rack and pinion style grab allows for handling of a wide range of coil sizes with minimum manpower. Optional motorized rotation allows the crane operator to spot the coil with precise positioning. Coil grabs are custom designed per application.

### PRODUCT FEATURES:

- Low headroom design.
- Lockout switch in carrying foot to prevent inadvertent opening.
- Replaceable wear plates.
- Hinged covers.
- Heavy duty worm gear reducer.
- Drive protection includes slip clutch.
- Machined slide arms.
- Curved supports on lifting feet for coil protection.
- Designed for easy maintenance.
